

Terms

The entries received by the formal closing date will determine the number and composition of awards for this tournament.

Telephone and e-mail entries will only be accepted if payment is received within 72 hours of the entry being accepted. Any entries received within 72 hours of the start of the tournament and for which payment has not been received, will be released 1 hour before the start of that session to archers arriving on spec.

Even if an entry fee has been paid, the organisers reserve the right to release any place to archers arriving on spec if the original entrant has not booked in at the advertised starting time for that session.

Details of entries will be retained on computer for the purposes of the management and operation of this tournament. The information will not be used for any other purpose except that e-mail addresses will be retained and used for advising entrants of future tournaments run by Hawks Archery Club.

Please note that the organisers assume anyone making an entry for this tournament is indicating their acceptance of the information and terms printed on this entry form.

Record status shoots will be liable for drug testing and competitors approached to give samples must comply; if they refuse that refusal will be treated as a positive result. Where an entry form contains one or more junior entries, the parent or legal guardian must countersign the form to signify that they consent to their child being tested if approached. Failure to countersign the form in this way will make the entry unacceptable in respect of that junior unless a parent or LEGAL guardian is attending the shoot.

GNAS numbers must be included on the entry form and any archer failing to do so will be required to produce their GNAS card before shooting. If an archer is awaiting their card, they must have proof from their club that their affiliation fees have been paid.
